Blackford County Death Record, Book II:

May 1911 to December 1930.

Blackford County has four Townships. Licking, Washington, Harrison and Jackson.

Note that the various I.O.O.F. Lodges have cemeteries in all but Washington Township. The I.O.O.F. Cemetery at Hartford City or Licking Township is the largest, having 8400 burials as of March 1960. It is nearly safe to assume that when Dunkirk is named that burial is in the I.O.O.F. Cemetery in Jackson Township. Burials stated as Montpelier probably would be either Woodlawn, I.O.O.F. or St. Johns Catholic Cemeteries. St. Johns lies adjacent to the I.O.O.F. Cemetery and might be confused with the I.O.O.F. Cemetery.

The location of the various cemeteries where some burials from Blackford County are made is as follows:

Union Cemetery - Near Eaton, Indiana

Buckles Cemetery - West of Dunkirk, Indiana in Delaware County.

Elizabethtown Cemetery - Delaware County

Shiloh and Jefferson - Grant County

Asbury Chapel Cemetery - Wells County

Strongs Cemetery - Albany, Indiana

Black Cemetery - Delaware County West of Albany, Indiana

Copied; March 12, 1962
